

Labstat International ULC is an independent, privately owned, analytical laboratory with **40 years** of leadership and experience in the analysis of matrices related to tobacco products. Our team of highly qualified Scientists, Technologists, and Technicians perform testing for clients around the world in analytical chemistry, toxicology, biomarkers as well as contract research related to the development of new methodologies.

Labstat's dedication to excellence is not taken lightly, it is an intrinsic and fundamental corporate value and practiced by all Labstat employees every day. A satisfied client is our most important product and our staff is our most important resource.

As a result of recent growth, we are currently looking for several positions to join our team!

We are looking for a full time **Quality Systems Auditor** (#2017-09) to:

- Perform **GLP/GMP** inspections to ensure compliance to protocols and regulatory specifications (OECD, 21CFR P58, P11);
- Prepare reports to include audit findings;
- Perform investigations to determine the root cause of a problem and propose corrective actions;
- Participate in external audits performed by clients, accrediting body or regulatory agencies;
- Other duties as assigned.

QUALIFICATIONS:

- Minimum B.Sc.(Science) or equivalent
- Completion of an Auditor program from a recognized College or University, an asset
- Experienced inspector in Quality Control and Accreditation processes in a GLP/GMP environment, preferred or knowledge of Quality Control and Accreditation processes in an accredited laboratory environment
- Good understanding of laboratory processes (chemistry and/or biology)
- Strong aptitude for calculations, data review, evaluation, presentation and report writing
- Strong computer skills, proficient using Microsoft Office (Word/Excel/Access)
- Great attention to detail, problem solving, multitasking and organizational skills
- Excellent interpersonal and communication skills, reliability, professionalism, integrity and ethical work
- Ability to work to deadlines and willingness to work shifts and/or extra hours when required

Labstat offers competitive wages, benefits, training programs and social events.

Labstat values a diverse workforce.

Labstat values Equal Opportunity and embraces diversity. Begin a dynamic and rewarding career by becoming a member of Labstat's team of professionals!

Qualified applicants should **quote posting #** and apply to:
